Ms. Jane S. Wiegand
Associate General Counsel
Immigration and Naturalization
Service
Department of Justice
Washington, D.C. 20536

Dear Ms. Wiegand:

I am enclosing a copy of the Fiscal Year '86 Intelligence Authorization Bill, S. 1271, as reported out by the Senate Select Committee on Intelligence.

Title V of the Bill contains the legislative proposal to expedite citizenship for certain United States intelligence sources.

As you know, under the rules of the House Permanent Select Committee on Intelligence (HPSCI), a copy of testimony to be given before the Committee must be received three days before the date of the hearing. Since our hearing is Tuesday, the 25th, we hope to have the testimony cleared by the Office of Management and Budget (OMB) and to HPSCI by Thursday, the 20th. I expect that we will be ready to send a version out for coordination and OMB clearance by Monday, the 17th.

The testimony will be classified at the "Secret" level and should, of course, be handled on a strict "need to know" basis. As we discussed, OMB has agreed to your reviewing the testimony on behalf of the Service and the Department of Justice. Your comments to OMB can be passed along to Tracey Lawler, Legislative Analyst, Legislative Reference Division, Office of Management and Budget (395-7300) who will be handling the matter on behalf of OMB and will have a copy of the testimony. We will send a copy of the testimony to you for review via the Agency's operational liaison with the Service: Central Office Intelligence, Room 7314 (633-3360) in care of Ms. Pat May.

I am also enclosing some thoughts you may wish to use in connection with preparing the Commissioner's testimony.

Sincerely,

Legislation Division
Office of Legislative Liaison
